Hendersons celebrate Golden Anniversary

Dr. and Mrs. Richard M. Henderson celebrated their 50th wedding anniversary with a floating reception at their Manson home on June 9. The Hendersons were married on March 3, 1957 in New York.

The event was hosted and organized by their three children and five grandchildren.

More than 300 guests were in attendance for the catered affair.

On the following Sunday, a bus transported 30 family members and friends to Norfolk, Va., to board a cruise ship to Bermuda. The ship made stops in Hamilton and St. George to highlight the seven-day trip.
